

# SCOTTISH AMBULANCE SERVICE NEWS

**From:** Bargon Mark (SCOTTISH AMBULANCE SERVICE - SD026)

**Sent:** 30 May 2011 09:38

**Subject:** New web site for Scottish Ambulance Service

We are currently redeveloping the Scottish Ambulance Service's public facing web site ([www.scottishambulance.com](http://www.scottishambulance.com)) and need your help. It is important that the site meets the needs of our users and would appreciate it if you could spend a few minutes completing a small survey which can be found at:

<http://www2.formwize.com/run/survey3.cfm?ID=3693>

## Reference group

We are also wanting to form a reference group to give us feedback as we build the site. If you would like to become a member of this reference group we would be grateful if you could enter your contact details at the end of the survey.

Please do not hesitate to contact me if you have any questions.

Many thanks

Mark Bargon
